

# Zaid Ahmed

## Software Eng | Full Stack Developer | AI Developer

✉ [zaidlaiq99@gmail.com](mailto:zaidlaiq99@gmail.com) ☎ +92 3162324937  [LinkedIn](#)  [Github](#) 📍 Karachi, Pak

- As a FULL STACK developer and AI/ML Python developer, I am dedicated to meticulously focusing on project details while implementing innovative strategies to enhance project efficiency. Currently, I'm immersed in the real env of AI and it's types, exploring its potential applications and contributing to its advancement.

### Skills

- HTML5
- CSS
- Java Script
- Angular Js
- Python
- Nest Js
- Ai/ ML
- Docker
- GIT, GITHUB

### Experience

**Machine Learning internship** @TechnoHacks EduTech Sep 2023 - Oct 2023

Remote Machine Learning internship focused on model development

- Build precise, scalable **predictive models** using **Python** and **TensorFlow**.
- Optimize models for **peak performance**, ensuring reliable, **impactful results**.

**Junior Faculty Member** @Aptech Learning North Nazimabad Dec 2024 - April 2025

Junior Faculty Member responsible for delivering technical courses

- Teaching Web Technologies to students

**Software Developer Internship** @Elektro Control Industries(PVT) Aug 2024 - 10 Oct 2024

Software Developer Internship focused on practical skills

- Developed skills in software development project execution and collaboration.

**Full Stack Developer** @ ERP WALLET Aug 2025 - Oct 2025

Full Stack Developer role focusing on web application development

- Developed modular Angular components and integrated
- Nest JS API s with secure JWT authentication for real time data management.

### Certifications

- Introduction To Python on **DATA CAMP**
- Intermediate Python on **DATA CAMP**
- Introduction to Generative AI on **Google Cloud Skills Boost**
- Understanding Artificial Intelligence on **DATA CAMP**
- Intro to Machine Learning on **KAGGLE**

### Education

**KIET University** 2022 - 2026

- **fresh Graduated** in (BS AI) From KIET University

**Google Developer Student Club (GDSC - KIET)** 2023 - Present

- TECH TEAM MEMBER

**St Patricks College**

- Intermediate in Pre-Engineering 2019 - 2021
